Warsaw, 20 January 2022

Dear Dr Hajdasz,

I am replying to your letter of 30 November 2021, concerning the refusal of entry to Mr Rafał Ziemkiewicz to the UK.

It is UK Government policy not to comment on specifics of individual cases. I can confirm that the Ambassador responded directly to Mr Ziemkiewicz on December 3rd and December 17th 2021.

For information, all EU and non-EU citizens are considered against the same rules for entry to the UK. According to those rules, an individual may be refused entry where it is considered, on the basis of their character, conduct or associations, that their presence in the UK is not conducive to the public good.

Yours sincerely,

A handwritten signature in black ink that reads "Jason Rheinberg".
